SPECIAL PREVIEW
at the Japan Information Center

TRADITION OF EXCELLENCE

Japanese techniques in contemporary metal arts

May 21–24 and May 28–31, 2019

Preview a major exhibition highlighting traditional Japanese metalworking techniques expressed through the works of Japanese artists and masters and American metalsmiths. Curated by HYART Gallery owner/metalsmith Hiroko Yamada, the full exhibition is scheduled for fall 2019 at Penland School of Craft.
