(a) Every application for any permit or license authorized to be issued under this Act shall be made upon a form furnished by the Secretary of State. Every application shall be accompanied by the proper fee and payment of such fee shall entitle the applicant to not more than 3 attempts to pass the examination within a period of 1 year after the date of application.

(b) Every application shall state the name, social security number, zip code, date of birth, sex, and residence address of the applicant; briefly describe the applicant; state whether the applicant has theretofore been licensed as a driver, and, if so, when and by what state or country, and whether any such license has ever been cancelled, suspended, revoked or refused, and, if so, the date and reason for such cancellation, suspension, revocation or refusal; shall include an affirmation by the applicant that all information set forth is true and correct; and shall bear the applicant's signature. The application form may also require the statement of such additional relevant information as the Secretary of State shall deem necessary to determine the applicant's competency and eligibility. The Secretary of State may in his discretion substitute a federal tax number in lieu of a social security number, or he may instead assign an additional distinctive number in lieu thereof, where an applicant is prohibited by bona fide religious convictions from applying or is exempt from applying for a social security number. The Secretary of State shall, however, determine which religious orders or sects have such bona fide religious convictions. The Secretary of State may utilize a photograph process or system most suitable to deter alteration or improper reproduction of a drivers license and to prevent substitution of another photo thereon.

(c) The application form shall include a notice to the applicant of the registration obligations of sex offenders under the Sex Offender Registration Act. The notice shall be provided in a form and manner prescribed by the Secretary of State. For purposes of this subsection

(c), "sex offender" has the meaning ascribed to it in Section 2 of the Sex Offender Registration Act.

(d) Any male United States citizen or immigrant who applies for any permit or license authorized to be issued under this Act or for a renewal of any permit or license, and who is at least 18 years of age but less than 26 years of age, must be registered in compliance with the requirements of the federal Military Selective Service Act. The Secretary of State must forward in an electronic format the necessary personal information regarding the applicants identified in this subsection (d) to the Selective Service System. The applicant's signature on the application serves as an indication that the applicant either has already registered with the Selective Service System or that he is authorizing the Secretary to forward to the Selective Service System the necessary information for registration. The Secretary must notify the applicant at the time of application that his signature constitutes consent to registration with the Selective Service System, if he is not already registered.

not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

(1) Chemical analysis of the person's blood, urine, breath, or other substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by the Department of State Police for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of the Department of State Police, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe rules as necessary.

(2) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content. This limitation does not apply to the taking of breath or urine specimens.

(3) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The test administered at the request of the person may be admissible into evidence at a hearing conducted in accordance with Section 2-118 of this Code. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

(4) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's attorney by the requesting law enforcement agency within 72 hours of receipt of the test result.

(5) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(6) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided in this Section shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to possess a school bus driver permit. The loss of the individual's privilege to possess a school bus driver permit shall be imposed in accordance with Section 6-106.1b of this Code.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law

enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person who has been issued a school bus driver permit and who was operating a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity of the entities listed, submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than the alcohol concentration at which driving or being in actual physical control of a motor vehicle is prohibited under paragraph (1) of subsection (a) of Section 11-501.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the school bus driver permit sanction on the individual's driving record and the sanction shall be effective on the 46th day following the date notice of the sanction was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this school bus driver permit sanction on the person and the sanction shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his or her last known address and the loss of the school bus driver permit shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the school bus driver permit sanction to the driver and the driver's current employer by mailing a notice of the effective date of the sanction to the individual. However, shall the sworn report be defective by not containing sufficient information or be completed in error, the notice of the school bus driver permit sanction may not be mailed to the person or his current employer or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this school bus driver permit sanction by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or

below, in connection with any activity of the entities listed, upon the public highways of the State and the police officer had reason to believe that the person was in violation of any provision of this Code or a similar provision of a local ordinance; and

(2) whether the person was issued a Uniform Traffic Ticket for any violation of this Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the officer that the privilege to possess a school bus driver permit would be canceled if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to possess a school bus driver permit would be canceled if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00 and the person did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

The Secretary of State may adopt administrative rules setting forth circumstances under which the holder of a school bus driver permit is not required to appear in person at the hearing.

Provided that the petitioner may subpoena the officer, the hearing may be conducted upon a review of the law enforcement officer's own official reports. Failure of the officer to answer the subpoena shall be grounds for a continuance if, in the hearing officer's discretion, the continuance is appropriate. At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the school bus driver permit sanction.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension.

(g) This Section applies only to drivers who have been issued a school bus driver permit in accordance with Section 6-106.1 of this Code at the time of the issuance of the Uniform Traffic Ticket for a violation of this Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, revoking, canceling, or denying any license, permit, registration, or certificate of title shall be subject to judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this

Section.

(1) An instruction permit issued under this Section shall be valid for a period of 24 months after the date of its issuance and shall be restricted, by the Secretary of State, to the operation of a motor vehicle by the minor only when accompanied by the adult instructor of a driver education program during enrollment in the program or when practicing with a parent, legal guardian, family member, or a person in loco parentis who is 21 years of age or more, has a license classification to operate such vehicle and at least one year of driving experience, and who is occupying a seat beside the driver.

(2) A 24 month instruction permit for a motor driven cycle may be issued to a person 16 or 17 years of age and entitles the holder to drive upon the highways during daylight under direct supervision of a licensed motor driven cycle operator or motorcycle operator 21 years of age or older who has a license classification to operate such motor driven cycle or motorcycle and at least one year of driving experience.

(625 ILCS 5/6-108)

Sec. 6-108. Cancellation of license issued to minor.

(a) The Secretary of State shall cancel the license or permit of any minor under the age of 18 years in any of the following events:

1. Upon the verified written request of the person who consented to the application of the minor that the license or permit be cancelled;
2. Upon receipt of satisfactory evidence of the death of the

person who consented to the application of the minor;

3. Upon receipt of satisfactory evidence that the person who consented to the application of a minor no longer has legal custody of the minor.

After cancellation, the Secretary of State shall not issue a new license or permit until the applicant meets the provisions of Section 6-107 of this Code.

(b) The Secretary of State shall cancel the license or permit of any person under the age of 18 years if he or she is convicted of violating the Cannabis Control Act or the Illinois Controlled Substances Act while that person was in actual physical control of a motor vehicle. For purposes of this Section, any person placed on probation under Section 10 of the Cannabis Control Act or Section 410 of the Illinois Controlled Substances Act shall not be considered convicted. Any person found guilty of this offense, while in actual physical control of a motor vehicle, shall have an entry made in the court record by the judge that this offense did occur while the person was in actual physical control of a motor vehicle and order the clerk of the court to report the violation to the Secretary of State as such. After the cancellation, the Secretary of State shall not issue a new license or permit for a period of one year after the date of cancellation or until the minor attains the age of 18 years, whichever is longer. However, upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety, or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle between the person's residence and person's place of employment or within the scope of the person's employment related duties, or to allow transportation for the person or a household member of the person's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the person to attend classes, as a student, in an accredited educational institution; if the person is able to demonstrate that no alternative means of transportation is reasonably available; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue such restricted driving permit. In each case the Secretary of State may issue a restricted driving permit for a period as he deems appropriate, except that the permit shall expire within one year from the date of issuance. A restricted driving permit issued hereunder shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued hereunder may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a driver remedial or rehabilitative program. Thereafter, upon reapplication for a license as provided in Section 6-106 of this Code or a permit as provided in Section 6-105 of this Code and upon payment of the appropriate application fee, the Secretary of State shall issue the applicant a license as provided in Section 6-106 of this Code or shall issue the applicant a permit as provided in Section 6-105. Sec. 6-108.1. Notice to Secretary; denial of license; persons under 18.

(a) The State's Attorney must notify the Secretary of the charges pending against any person younger than 18 years of age who has been

The State's Attorney must notify the Secretary on a form prescribed by the Secretary.

(b) The Secretary, upon receiving notification from the State's Attorney, may deny any driver's license to any person younger than 18 years of age against whom the charges are pending.

Sec. 6-109. Examination of Applicants.

(a) The Secretary of State shall examine every applicant for a driver's license or permit who has not been previously licensed as a driver under the laws of this State or any other state or country, or any applicant for renewal of such driver's license or permit when such license or permit has been expired for more than one year. The Secretary of State shall, subject to the provisions of paragraph (c), examine every licensed driver at least every 8 years, and may examine or re-examine any other applicant or licensed driver, provided that during the years 1984 through 1991 those drivers issued a license for 3 years may be re-examined not less than every 7 years or more than every 10 years.

The Secretary of State shall require the testing of the eyesight of any driver's license or permit applicant who has not been previously licensed as a driver under the laws of this State and shall promulgate rules and regulations to provide for the orderly administration of all the provisions of this Section.

(b) Except as provided for those applicants in paragraph (c), such examination shall include a test of the applicant's eyesight, his ability to read and understand official traffic control devices, his knowledge of safe driving practices and the traffic laws of this State, and may include an actual demonstration of the applicant's ability to exercise ordinary and reasonable control of the operation of a motor vehicle, and such further physical and mental examination as the Secretary of State finds necessary to determine the applicant's fitness to operate a motor vehicle safely on the highways, except the examination of an applicant 75 years of age or older shall include an actual demonstration of the applicant's ability to exercise ordinary and reasonable control of the operation of a motor vehicle. All portions of written and verbal examinations under this Section, excepting where the English language appears on facsimiles of road signs, may be given in the Spanish language and, at the discretion of the Secretary of State, in any other language as well as in English upon request of the examinee. Deaf persons who are otherwise qualified are not prohibited from being issued a license, other than a commercial driver's license, under this Code.

(c) Re-examination for those applicants who at the time of renewing their driver's license possess a driving record devoid of any convictions of traffic violations or evidence of committing an offense for which mandatory revocation would be required upon conviction pursuant to Section 6-205 at the time of renewal shall be in a manner prescribed by the Secretary in order to determine an applicant's ability to safely operate a motor vehicle, except that every applicant for the

renewal of a driver's license who is 75 years of age or older must prove, by an actual demonstration, the applicant's ability to exercise reasonable care in the safe operation of a motor vehicle.

(d) In the event the applicant is not ineligible under the provisions of Section 6-103 to receive a driver's license, the Secretary of State shall make provision for giving an examination, either in the county where the applicant resides or at a place adjacent thereto reasonably convenient to the applicant, within not more than 30 days from the date said application is received.

Sec. 6-110. Licenses issued to drivers.

(a) The Secretary of State shall issue to every qualifying applicant a driver's license as applied for, which license shall bear a distinguishing number assigned to the licensee, the name, social security number, zip code, date of birth, address, and a brief description of the licensee, and a space where the licensee may write his usual signature.

If the licensee is less than 17 years of age, the license shall, as a matter of law, be invalid for the operation of any motor vehicle during any time the licensee is prohibited from being on any street or highway under the provisions of the Child Curfew Act.

Licenses issued shall also indicate the classification and the restrictions under Section 6-104 of this Code.

In lieu of the social security number, the Secretary may in his discretion substitute a federal tax number or other distinctive number.

A driver's license issued may, in the discretion of the Secretary, include a suitable photograph of a type prescribed by the Secretary.

(b) The Secretary of State shall provide a format on the reverse of each driver's license issued which the licensee may use to execute a document of gift conforming to the provisions of the Uniform Anatomical Gift Act. The format shall allow the licensee to indicate the gift intended, whether specific organs, any organ, or the entire body, and shall accommodate the signatures of the donor and 2 witnesses. The Secretary shall also inform each applicant or licensee of this format, describe the procedure for its execution, and may offer the necessary witnesses; provided that in so doing, the Secretary shall advise the applicant or licensee that he or she is under no compulsion to execute a document of gift. A brochure explaining this method of executing an anatomical gift document shall be given to each applicant or licensee. The brochure shall advise the applicant or licensee that he or she is under no compulsion to execute a document of gift, and that he or she may wish to consult with family, friends or clergy before doing so. The Secretary of State may undertake additional efforts, including education and awareness activities, to promote organ and tissue donation.

(c) The Secretary of State shall designate on each driver's license issued a space where the licensee may place a sticker or decal of the uniform size as the Secretary may specify, which sticker or decal may indicate in appropriate language that the owner of the license carries an Emergency Medical Information Card.

The sticker may be provided by any person, hospital, school, medical group, or association interested in assisting in implementing the Emergency Medical Information Card, but shall meet the specifications as the Secretary may by rule or regulation require.

(d) The Secretary of State shall designate on each driver's license issued a space where the licensee may indicate his blood type and RH factor.

(e) The Secretary of State shall provide that each original or renewal driver's license issued to a licensee under 21 years of age
